

FINDS NO OPPOSITION TO
TEACHERS' SALARY BILL

Prof. Wharton S. Jones, superintendent of city schools who recently visited the legislature at Nashville, says that he found no opposition to the bill to be introduced by the Shelby county delegation granting a \$10 monthly increase in the pay of Memphis school teachers.

The increase was promised recently as a result of a threatened strike of the teachers, which would have cost \$250,000 per year. A compromise was effected and the bill has been drawn and is in the hands of the local legislators.

For a few days, however, Gov. Robert L. Taylor is pushing the legislation through the law-making body and local legislation must wait. When the bill is passed the teachers will receive back pay from Sept. 1.

MILADY OF CHINA NOW
WEARS HIGH HEELS, TOO

PAPETE, Island of Tahiti, Jan. 24.—The Chinese women of Papete have, with one accord, discarded their national dress of oilcloth pantslons and tunics and adopted the semi-European dress of the Tahitian belles of the town. This includes the highest of high-heeled French shoes.

The result has been the infliction of much torture, which the women are enduring with the greatest fortitude. For centuries they have trod the bosom of mother earth barefooted, but today they parade the length of the beach road, proud in their new acquisition. As soon as they are out of the public eye off come the shoes and they return to their dwelling, after the fashion of their ancestors, carrying their shoes.
